The purpose of Challenge Camp is for the girls to have fun, grow in their faith and friendship with Christ, enjoy the company of fellow-campers, gain an appreciation for the natural environment of the facility as much as possible, and to give the girls the opportunity for personal growth by communicating well with those at camp.

This summer's camp theme is *Inspire: Find Your Inspiration & Be an Inspiration*. With that in mind, we will encourage our girls to be fully-present and strive to form friendships and grow in virtue while at camp, without the distraction of phones and other devices. **We suggest leaving phones at home, since they will not be used during the week.** (Only the senior team leaders will use phones for practical purposes during daily camp activities.) In order to give parents a glimpse of some of the daily excitement at camp, we will send out a parent email each evening. We will share news of the girls' camp day, including photos that show a few of the day's highlights.

Your daughters are sure to have so many things to share with you when you pick them up at the end of what we think will be a great week for them! Girls can request to call home if there is a particular need, and if you need to reach your daughter, you can call our camp director, **Sallie Roth**, at (203)415-9649, **Lisa Leonard** at (845)224-5066, or call the camp office at (860)767-0848 and ask for **Peter Nygard**.

Campers arrive at 4:00 p.m. on Sunday, July 21. Camp ends around noon on Saturday, July 27.

Team leaders will arrive on Sunday at 11:00 a.m. to set up and prepare for the arrival of the campers.
